Cosy

The Cosy is a voluptuous sofa that invites you to slow down, rest, restore, laugh and play. The soft shapes of the sofa make you want to never get up again. The modular sofa consists of different elements that you can combine in any way you desire.

Rather than picking a sofa, you pick each element you would like to have. The elements have different shapes, allowing you to really get creative with the design. What about a sofa in the shape of a half circle?

Brick

Inspired by the bond pattern of laying bricks, the Brick Sofa will form the foundation of your interior. While strong in its appearance, the extra layer of foam in the filling ensures that the sofa is easier to sink into and looks softer. Choose from four elements and arrange them in a structure of your liking. Slide the backrest seamlessly across* two parts to reveal the staggered brick pattern and back again to change its look.

Available in all Studio HENK fabrics, including our latest sustainable offerings. Made in the Netherlands.

Sofas & Lounge Chairs

Unfold

The Unfold Sofa is conceived as an open invitation. Its generous, pleated cushions give the design a distinctive signature and offer a seating experience that feels intuitive in everyday use. Neither rigid nor distant — yet never withdrawn. A sofa that encourages presence.

The pleats are more than a visual detail. They introduce softness and resilience, subtly adapting to the body while bringing movement into the design. In contrast with the clear, structured base, the sofa gains a lively character and invites active use.

Thanks to its modular design, the Unfold Sofa adapts effortlessly to different spaces and moments. A place where people gather, linger, and where conversations arise naturally — without the need for prompting.
